

The **Department of Boating and Waterways** and the **California Coastal Commission's Boating Clean and Green Program**, the **Keep the Delta Clean Program** in partnership with the **US Coast Guard Auxiliary** and the **Village West Yacht Club**

PRESENTS:

DOCKWALKER TRAINING

- Teach environmentally sound boating practices
- Coordinate efforts with marina and boat launch ramp operators
- Obtain educational materials to distribute to boaters

This **FREE** workshop trains boaters, recreators, Auxiliarists, Power Squadron members, and other volunteers to talk to boaters about environmentally sound boating.

Participants in the training will be considered "Dockwalkers." Dockwalkers conduct face-to-face boater education and distribute boater kits with educational materials while visiting marinas, boat launch ramps, boat shows and special events. The training provides an overview of environmentally sound boating practices, information about how to conduct Dockwalking, educational materials for Dockwalkers to distribute including boater kits, a video about clean boating in California, and baseball hats to identify Dockwalkers. We document community service hours.
